

## **SECURITY POLICY**

We employ reasonable security measures to protect all information from unauthorized access, alteration, or destruction. These measures include two factor authentications, encryption, secure servers, and audits. However, no method of data transmission over the internet is entirely secure, and we cannot guarantee the absolute security of your information.

You may also go through the Privacy Policy to know about how information is stored and used.

If you have any questions, concerns, or requests regarding this Security Policy or your information, please contact us at:
